

Have you been a victim of a recent Scam?

In recent months Wealden residents have become the victims of potential 'Scams' and we want to ensure that nobody is the victim of such frauds.

Recent 'Scams' that have been notified to Citizens

Advice include:

- 1. A site posing as HMRC are sending emails to say that you maybe entitled to a tax refund.*
- 2. Cold calling from HMRC stating that you will be prosecuted for non-payment of tax, press one for more information.*
- 3. Fake emails and telephone calls purporting to be from BT stating that there is a problem with the account and if no further action taken then account will be closed.*
- 4. Unsolicited Mobile phone call received from someone stating they were from Citizens Advice. When challenged they immediately hung up.*
- 5. Unsolicited emails and text messages being sent out from DVLA attempting to trick drivers to provide and update their personal details via an online link.*

If you think that you have been the victim of a scam then please contact your local Citizens Advice
