

Let's celebrate!

Older People's Day in East Sussex 2019

Full of Life events programme
September to October

Welcome to the Events Programme for Older People's Day 2019

Introduction by Lin Neeve, East Sussex Seniors' Association Chair

It is that time of year again and once more we have lots of events, during Older People's Day (OPD), many of which are free to take part in.

I hope you will have a chance to try something new, a new class maybe, as well as something relaxing, such as a coach trip, afternoon tea or cinema showing.

Feel free to bring along family and friends, everyone is welcome. Don't worry about going to events on your own as you will often meet up with new people and the event holders are ready to welcome you.

Remember you can go to any event but make sure you book a place if required. If you need additional OPD booklets then they will be available from libraries and council offices.

If you have trouble finding them contact your local Seniors Forum, whose details are listed on the back of this booklet.

We would appreciate it if you would fill out the evaluation forms given out at the events you attend as it helps us know how we are getting on, what you like and what you don't like, so we can keep on improving year after year.

More information and a downloadable copy of the booklet can be found at www.eastsussex.gov.uk/olderpeoplesday

East Sussex Seniors would like to thank East Sussex County Council and Public Health for its continuing support for OPD, as well as the Leisure Centres, local councils, voluntary groups and charities that put on the events. These, along with the many, many volunteers are the reason we are now in our 12th year and can continue to celebrate Older People's Day.

Note: Information in this booklet was correct at time of going to press. Please contact individual organisers to check details or visit the What's On section of ESCC's website for any additional or revised event information.

Introduction

Events are listed by district and then in date order (apart from the leisure centres pages 23-26). You can also search for events happening in your area by matching the colour bar at the side of each entry with the district or borough area indicated on the map below.

 Disabled access available at venue

 Hearing loop available

Community Transport – helping you get out and about
Community Transport (CT) provides safe, accessible and affordable transport to the community whilst combatting the problems of social exclusion, isolation and loneliness. We operate all year round, so a CT scheme in your area may be able to assist with transport to Older People’s Day events.

Find details of all the different schemes (including telephone numbers) at: eastsussex.gov.uk/communitytransport. If you don’t have internet access, call 0345 60 80 194 for advice on schemes in your area.

MAKE A BEDTIME CHECK

You are more at risk from a fire when asleep.

So it's a good idea to check your home before you go to bed.

- ✔ Turn off and unplug electrical appliances unless they are designed to be left on.
- ✔ Don't leave the washing machine on.
- ✔ Turn heaters off and put up fireguards.
- ✔ Put candles and cigarettes out properly.
- ✔ Make sure exits are kept clear.

Leisure Centre activities

Taking part in physical activities can bring many health benefits, whilst providing an opportunity to socialise and have fun. To facilitate this, leisure centres around the county are supporting celebrations for Older People's Day (OPD) again this year, by offering a special 'taster rate' on a wide range of sessions throughout September and October.

All activities listed here are suitable for older people, some are free and some are available for the special rate of just £1 (on production of a booklet or print out). Please refer to individual listings for details. 'Meet the instructor' and 'introductory' sessions are offered free of charge and give people the opportunity to learn more before actually taking part.

All centres have disabled access, and drinks and snacks are available at most, either from vending machines or onsite cafes. Some sessions have limited spaces, so we recommend you contact the centre in advance of your visit to see if you need to book a place (especially if the session is a class).

Go along and try out something new, and come away feeling younger and full of life!

Please note, there are some leisure centre activities not listed in this section that are listed elsewhere in this booklet.

More information is available on the leisure centre websites:

Warm Home Check Service

If you struggle to keep your home warm, the Warm Home Check Service can help!

We offer advice and can help you to access support that's available. If you're on a low income you may also be eligible for a home check visit which includes:

- Advice on getting help with the cost of heating your home
- An assessment of your home and tips to keep it warm
- Small improvement works or repairs.

If you don't have mains gas central heating **but live in an urban area and are on a low income** then you could be eligible to have a fully funded gas central heating system installed.

Apply for a **Warm Home Check** today!
